Q & A with audience

- 11.50 am **Session 2: Newcomers in Clean Sky 2: Widening and deepening participation**
Since the start of the Programme, no fewer than six calls have been launched: three Calls for Core Partners and three Calls for Proposals. The membership of the JU and the overall participation are developing at a fast pace. A sizeable percentage of winning applicants are new to Clean Sky, many even new to Aeronautics. How can we leverage this to best effect?
- **Pedro Sinogas**, CEO of TEKEVER
 - **Axel Flaig**, Head of Airbus Research and Technology, Airbus
 - **Rudolf Strohmeier**, Deputy Director General, DG RTD, European Commission
 - **Martina Dlabajová**, Member of the European Parliament
- Moderator: Ron Van Manen**, Clean Sky 2 Manager, Clean Sky Joint Undertaking
- Q & A with audience*
- 13.00 pm **Networking lunch**
- 14.00 pm **Keynote speech:**
Competitiveness, environment, and mobility: the winning policy mix
Monika Hohlmeier, Member of the European Parliament, Chair of Sky and Space Intergroup
- 14.20 pm **Session 3: Looking for Efficiencies: Synergies with Structural Funds**
Europe 2020 strategy towards smart, sustainable and inclusive growth builds increased synergies with the cohesion policy (ESIF). The fostering of synergies aims at maximising the quantity and quality of investments, and thus ensuring a higher impact of the funds.
- **Carmen Sillero**, Head of Division, Strategy and Programmes, Andalucía Region
 - **Tomáš Novotný**, Deputy Minister for Industry and Trade of Czech Republic
 - **Amedeo Lepore**, Regional Minister for Industry of Campania Region
 - **Katja Reppel**, Deputy Head of Unit, DG REGIO , European Commission
